School of Chemistry & Physics

Programme

Official Opening of the Peptide Sciences Laboratory and the Laser Chemical Vapour Deposition and Thin Films Laboratory

Wednesday, 7 March 2018

Venue: H Block (Chemistry and Physics), Westville Campus

ENQUIRIES: Leena Rajpal • Email: rajpall@ukzn.ac.za • Tel: 031 2607065/ 8740/ 7878

INSPIRING GREATNESS

Tour of the Research Facilities

Venue: Chem & Physics Lounge, 3rd floor

10:30 – 12:15	2nd Floor : <i>Chemistry Analytical Laboratory</i> 1st Floor : <i>Synthetic Teaching Laboratory, NMR Laboratory, Plasmonics Laboratory, Quantum Optics Laboratory, Condensed Matter Laboratory, Lidar detection instrument</i>
12:15 – 13:00	Welcome: <i>Professor Ross Robinson</i> Background: <i>Professor Neil Koorbanally</i> Nanotechnology: <i>Professor Vincent Nyamori</i> Analytical laboratory: <i>Dr. Sam Mohammed</i>
13:00 – 13:45	Lunch and Networking

Official Opening

Venue: FSA Room, 2nd floor

14:00 – 14:05	MC: Opening Remarks: <i>Professor Ross Robinson</i>
14:05 – 14:25	Welcome: <i>Dr Albert Van Jaarsveld</i>
14:25 – 14:45	Guest Speaker: <i>Barlow Manilal, CEO, Technology Innovation Agency</i>
14:45 – 15:00	Peptide Laboratory: <i>Professor Fernando Albericio</i>
15:00 – 15:15	PLD Laboratory: <i>Dr Mathew Moodley</i>
15:15 – 15:25	Vote of Thanks: <i>Professor Neil Koorbanally</i>
15:25 – 15:40	Unveiling of the Labs (<i>Guests move to the labs</i>)
16:45	COCKTAILS (FSA Room)
